

Our mission is to bring together housing advocates and resources so that everyone has a quality affordable home and suitable living environment.

## ABOUT THE COALITION

The Florida Housing Coalition, Inc., is a Florida nonprofit and 501(c)(3), statewide membership organization whose mission is to act as a catalyst to bring together housing advocates and resources so that all Floridians have a quality affordable home and suitable living environment.

The Coalition provides professional consultation services through training and technical assistance on affordable housing and related issues to nonprofit organizations, local governments, and their private sector partners.

We support community-based partnerships in leveraging resources; and advocate for policies, programs and use of funding resources that maximize the availability and improve the quality of affordable housing in Florida.

The Coalition carries out this mission recognizing that decent and affordable housing is a human necessity and an integral part of community revitalization and economic development.

### OUR VISION

Every Florida community, large and small, practices a community ethic reflecting a belief that access to housing that is decent, safe, affordable and of a person's own choosing, is a fundamental right and that at least one active, viable community-based organization plays an important role in delivering affordable housing and related services in each community.

### OUR TEAM

The administrative office for the Florida Housing Coalition is housed in Tallahassee, with seven professional technical advisor offices throughout Florida. Our technical assistance team consists of a highly skilled and geographically dispersed network of full-time professional staff providing technical assistance in all areas of affordable housing planning, finance, and development.

The FHC Technical Assistance Team can help with every aspect of locally-administered housing programs, from internal controls to capacity building for nonprofit partners. We can work with you one-on-one at your office or arrange larger workshops to assist you with implementation of your housing programs.
