

THE FLORIDA HOUSING COALITION

Helping local governments, nonprofits, and businesses solve complex affordable housing issues with tried and true best practices.

Housing is paramount to equitable, healthy, and sustainable communities. As Florida's premier statewide mission-based housing expert on everything from ending homelessness to first time homeownership, we understand the housing and development challenges that communities face. Our professional

team increases your capacity to implement effective solutions embraced by public and private sector stakeholders. The Coalition assists government and community-based organizations involved in producing and preserving housing for the workforce and Florida's most vulnerable populations.
