2024 Housing Funding Priorities

1. **Keep the promise** to use all of Florida's Sadowski Housing Trust Fund monies for Florida's SHIP and SAIL programs.
2. **Additional funding** for housing programs or projects outside SHIP or SAIL to help alleviate Florida's deficit of housing with the funding coming from general revenue or sources other than the Sadowski Trust Funds.

Legislative Process

- Session began **January 9, 2024**.
- Consideration of the appropriation of the state and local housing trust fund programs is underway.
- We are entering week 5 of the 2024 Legislative Session.

How does the Legislature make appropriations?

- By passing a Budget Bill also known as the Appropriations Act
- There is no “housing bill” for appropriations – Live Local was the exception
- SHIP and SAIL appropriations are based on Revenue Estimates
- When the Senate and House agree on the amounts of money to allocate for the state and local housing programs (SAIL and SHIP, primarily), it becomes law (after signed by the Governor)
